

CABO SERAI

Eco-Conscious Nature Retreat

*Cabo Serai is a luxury nature retreat located on a quiet hill by the Arabian
Sea and hidden in the flourishing forests of South Goa.*

Welcome

Situated on a secluded hill, a stone's throw away from the white sands of Cabo De Rama beach lies Cabo Serai. In the heart of Southern Goa, overlooking the Arabian Sea, our eco-conscious resort sprawls over 14 acres of lush native trees. Perched at a height of over 100 feet, Cabo Serai is home to spectacular panoramic views of the sea and surrounding forest.

Built on the grounds of sustainability and embracing our philosophy of barefoot luxury, the charming cottages and tents at Cabo Serai allow guests to explore the outdoors, whilst generously offering all the modern comforts of luxurious accommodation. All are sea facing while being nestled in the privacy of our flourishing forest.

Luxury Cottages

Each cottage comes with an expansive decked balcony perched prominently over lush greenery and looking out over the sea.

Spacious, airy, and luxuriously designed, our cottage and our tent design has been inspired to enhance the tropical sea breeze and the tranquil sound of the waves with luxury amenities that offer the utmost comfort to our guests.

Perfect for lounging, sunbathing, bird watching, yoga, meditation, admiring spectacular Goan sunsets or catching the first rays of sunlight with a cup of locally sourced, organic coffee. Every room offers the experience of waking up amid treetops, a sense of being immersed in nature – with panoramic views of the surrounding forest, cliffs and azure waters of the Arabian Sea.

Al Fresco Dining

More than just a delicious meal, dining at Cabo Serai is an experience. We invite guests to indulge in the thrill of dining in the outdoors, under a star-studded sky to the musical sound of the waves.

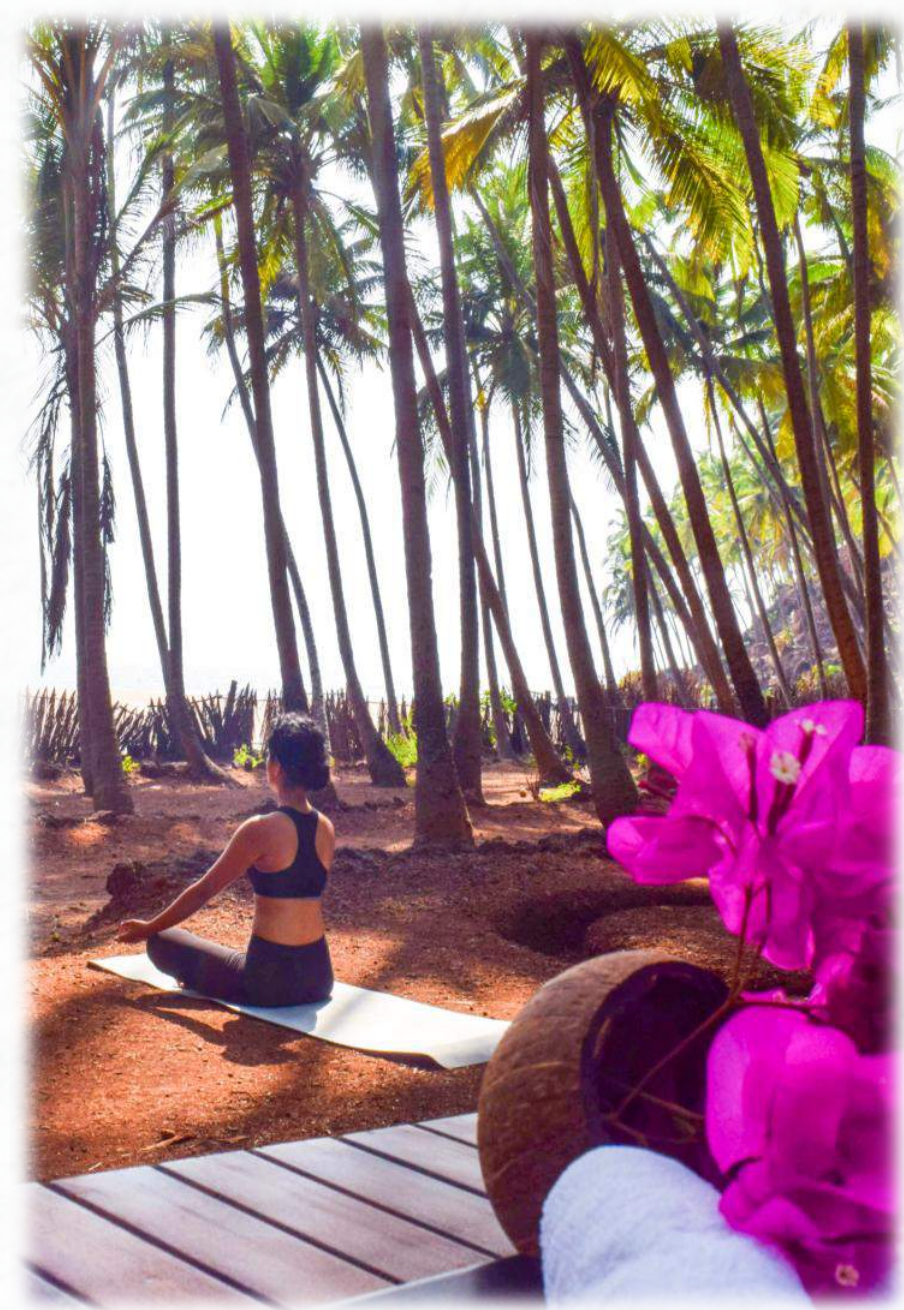

Our carefully crafted menu is tailored to our guest's dietary preferences woven with local organic ingredients. Selected fruit, vegetables and herbs are sourced from our very own organic garden. Other fresh produce such as grain and seafood are sourced from local fair-trade suppliers, providing us with the freshest produce in its most wholesome and natural form.

A wellness-focused menu is also available and based on Sattvic philosophy.

Experiences

Yoga & Wellness

At Cabo Serai, we thoughtfully design our experiences in order to achieve the perfect balance of wellness and discovery. From yoga classes by highly acclaimed teachers to Ayurvedic massages, our wellness program's cater to and can be uniquely curated to accommodate every guest's individual needs.

Our unique space is also open to yoga, meditation and wellness retreats guided by you. Invigorate your body and mind in Cabo Serai's pure surroundings that promote a blissful environment for relaxation and rejuvenation.

Our yoga Shala's are located in a coconut grove by the white sands of Cabo de Rama beach and on a hilltop with breathtaking views of the sea on three sides and surrounding hills on one side.

We have Yoga and Wellness offers for couples, groups and for families wishing to indulge in a wellness experience with their children.

Nature & Birdwatching

The trails at Cabo Serai take guests past secluded beaches, winding streams, through dense forest and hidden caves. Our nature walk experience promotes a feeling of well-being, a closeness to nature and will reveal many surprises worth exploring and photographing. The ideal time for these delightful walks is sunrise and sunset.

Cabo Serai is home to an extraordinary abundance of birdlife with over 85 different species of forest and marine birds. Perched above an expansive tree cover, the restaurant and rooms are ideally located for bird watching. A pleasant walk with our local guide in the morning and evening is truly a memorable experience for bird enthusiasts.

Beach

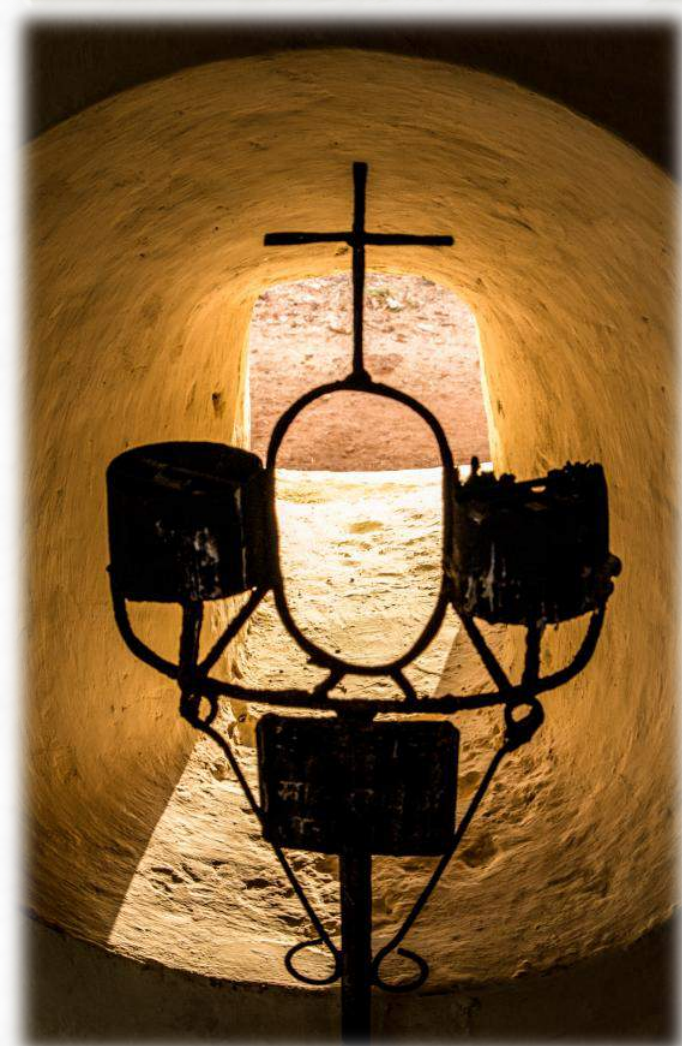

The Cabo De Rama beach is a pristine stretch of white sand flanked by a coconut grove and steep cliffs, making this an extraordinarily picturesque beach. If you're lucky, you might catch a glimpse of the Indian Ocean Humpback dolphins that surf the surrounding waves.

Sunsets & Sundowners

The cliffs at Cabo Serai drop dramatically into the sea providing breathtaking views of the sunset from every location. Guests can indulge in sundowners or high tea anywhere on the property.

Picnics

Cabo Serai has many private and serene picnic spots around the property. Whether you prefer the sandy white beach or the picturesque plateau overlooking the blue waters of the sea. Experience the fresh air with a healthy picnic basket for whichever area you choose.

Nearby Cabo Serai.

The Cabo De Rama Fort just a few minutes away from Cabo Serai. One of the oldest forts in the state. A historical monument rich in Goan history. Besides the stunning panoramic vistas of the cape, it is also home to the Santo Antonio Church – which is still being used today by the local villagers.

Betul is a fishing village, approximately 15 minutes from Cabo Serai. It is home to the historic ruins of Betul Fort, built in the 1600's by Shivaji. One can observe the fisherman from above, out on their fishing expeditions. It also has a splendid lighthouse which offers panoramic views of Quepem, other surrounding villages and the colorful village of Betul itself.

Agonda and Palolem Beaches - the more popular beaches nearby Cabo Serai. The local food scene is thriving from continental to traditional Goan cuisines.

The Tribe Goa in Agonda is a sustainable property which hosts soulful musical performances on certain days of the week. The Tribe Goa provides a space for artists, a center for conservation, creation, sustainable innovation and eco design. Spend an entertaining evening of music and local cuisine in the midst of the jungle.
